DISASTER RELIEF STATE PLAN AMENDMENT 22-0038: ADDITION OF SELF-DIRECTED
SUPPORT SERVICES AND TECHNOLOGY SERVICES

Dear Mr. Scott:

The Department of Health Care Services (DHCS) is submitting a 1915(i) Disaster Relief State Plan Amendment (DR SPA) 22-0038 for your review and approval. This DR SPA proposes to add Self-Directed Support Services and Technology Services. DHCS seeks an effective date of July 1, 2021.

The purpose of the DR SPA is to add Self-Directed Services and Technology Services, as well as the increase to incentive payments for Prevocational and Supported Employment Services.

Included in this submission is the Disaster Relief SPA 22-0038 template, Fiscal Impact Summary, and CMS 179 Form. CMS also approved the Tribal no-notice request on June 9, 2022.

If you have any questions or need additional information, please contact Joseph Billingsley, Assistant Deputy Director for Integrated Systems, Health Care Delivery Systems, at (916) 713-8389 or by email at Joseph.Billingsley@dhcs.ca.gov.

Sincerely,

Section 7 – General Provisions

7.4. Medicaid Disaster Relief for the COVID-19 National Emergency

On March 13, 2020, the President of the United States issued a proclamation that the COVID-19 outbreak in the United States constitutes a national emergency by the authorities vested in him by the Constitution and the laws of the United States, including sections 201 and 301 of the National Emergencies Act (50 U.S.C. 1601 et seq.), and consistent with section 1135 of the Social Security Act (Act). On March 13, 2020, pursuant to section 1135(b) of the Act, the Secretary of the United States Department of Health and Human Services invoked his authority to waive or modify certain requirements of titles XVIII, XIX, and XXI of the Act as a result of the consequences COVID-19 pandemic, to the extent necessary, as determined by the Centers for Medicare & Medicaid Services (CMS), to ensure that sufficient health care items and services are available to meet the needs of individuals enrolled in the respective programs and to ensure that health care providers that furnish such items and services in good faith, but are unable to comply with one or more of such requirements as a result of the COVID-19 pandemic, may be reimbursed for such items and services and exempted from sanctions for such noncompliance, absent any determination of fraud or abuse. This authority took effect as of 6PM Eastern Standard Time on March 15, 2020, with a retroactive effective date of March 1, 2020. The emergency period will terminate, and waivers will no longer be available, upon termination of the public health emergency, including any extensions.

The State Medicaid agency (agency) seeks to implement the policies and procedures described below, which are different than the policies and procedures otherwise applied under the Medicaid state plan, during the period of the Presidential and Secretarial emergency declarations related to the COVID-19 outbreak (or any renewals thereof), or for any shorter period described below:

The state seeks to implement the changes to the state plan below effective July 1, 2021 through the end of the Public Health Emergency (PHE).

NOTE: States may not elect a period longer than the Presidential or Secretarial emergency declaration (or any renewal thereof). States may not propose changes on this template that restrict or limit payment, services, or eligibility, or otherwise burden beneficiaries and providers.

Request for Waivers under Section 1135

X The agency seeks the following under section 1135(b)(1)(C) and/or section 1135(b)(5) of the Act:

- a. X SPA submission requirements – the agency requests modification of the requirement to submit the SPA by March 31, 2020, to obtain a SPA effective date during the first calendar quarter of 2020, pursuant to 42 CFR 430.20.

Section D – Benefits

Benefits:

1. X The agency adds the following optional benefits in its state plan (include service descriptions, provider qualifications, and limitations on amount, duration or scope of the benefit):

Add Self-Directed Support Services as a new service:

This service guides and assists the individual and/or the participant’s family or representative, as appropriate, in arranging for, directing, and managing their services. With planning team oversight, providers assist the participant or family in identifying immediate and long-term needs, developing options to meet those needs, and accessing identified supports and services. Practical skills training is offered to enable families and participants to independently direct and manage waiver services. In addition, this service provides training on managing an annual budget for service expenditures. This service is available to consumers who have identified an interest in self-directing some or all their services. Assistance provided to participants and/or their families consists of guidance and advisement in ensuring a thorough understanding of responsibilities involved with self-direction of services, to make informed planning decisions about services and supports through the person-centered planning process, development of their initial budget and spending plan, and appropriate practices of hiring, managing, and communicating with staff. The extent of the assistance furnished to the participant or family is specified in the Individual Program Plan (IPP).

Supersedes TN: None

Approval Date: _____

Effective Date: 07/01/2021

This SPA is in addition to all previously approved disaster relief SPAs and does not supersede anything approved in those SPAs.

This service does not duplicate, replace, or supplant other waiver services, including case management.

This service is limited to 40 hours. Additional hours must be reviewed by the Department and may be authorized if deemed necessary to meet the needs of the consumer.

Provider Qualifications – Agency and Individuals:

Completion of a training course about the principles of participant-directed services.

As appropriate, a business license as required by the local jurisdiction where the business is located.

Add Technology Services as a new service:

This service is intended to provide technology and/or equipment, in addition to the training and coordination of the use of such technology to assist consumers in accessing services remotely. This service does not duplicate any service currently available under the state plan.

Technology is an item, piece of equipment, or product system, whether acquired commercially, modified, or customized, that will be used for the purposes of accessing the remote provision of services, in accordance with HIPAA requirements while ensuring health and welfare.

Specific equipment includes computer monitors or electronic device that streams video, video cameras for use in video conferencing and intermittent remote check-in/monitoring of consumers in the home when in-person support is not possible, cell phone, tablet, and other similar handheld device used for communication such as augmentative and alternative communication (AAC) devices, software cost, maintenance, and installation needed for the use of AAC, microphones, speakers, headphones, hardware and/or tool(s) for the purpose of facilitating communication with a provider and to make possible the use of the equipment. Installation, removal, re-installation, maintenance and repair of technology is provided by this service. Allowable assistive technology services also include the evaluation of technology needs of a participant and the training or technical assistance for the participant, or where appropriate their family members or service providers to support the provision of remote services if determined beneficial for the participant, services for family members may include training and instruction about utilizing assistive technology to enable the family to support the recipient. The person-centered planning team determines the extent of participation necessary to meet the individual's needs.

Limited to the least costly alternative that can meet the need of the consumer. Annual limit of \$5,000 with the option to exceed upon department authorization if deemed necessary to meet the needs of the consumer.

Provider Qualifications – Agency and Individuals:

Providers must possess any valid license or certification required by State or local law.
