DISASTER RELIEF STATE PLAN AMENDMENT 22-0069: WAIVER FOR DRUG  
COUNSELING SIGNATURE REQUIREMENTS

Dear Mr. Scott:

The Department of Health Care Services (DHCS) is submitting a Disaster Relief State Plan Amendment (DR SPA) 22-0069 for your review and approval. This DR SPA proposes to waive any signature requirements for the dispensing of drugs during the COVID-19 Public Health Emergency (PHE). DHCS seeks an effective date of March 1, 2020, through the end of the COVID-19 PHE.

The purpose of the DR SPA is to waive any signature requirements indicating the acceptance or refusal of drug counseling to the patient or caregiver in the pharmacy at the time of dispensing. The components of drug counseling by pharmacists are outlined in 42 CFR 456.705; the specific standards are to be established by the state. California Code, Welfare and Institutions Code, Section 14043.341 details the state's signature requirements for a pharmacy consultation. Section 1135 of the Social Security Act allows the Secretary of Health and Human Services to waive certain Medicaid requirements during a declared emergency. As such, DHCS seeks to waive signature requirements during the COVID-19 PHE. Included in this submission is the DR SPA 22-0069 template and CMS 179 Form. CMS also approved the Tribal no-notice request on November 14, 2022.
