## Capacity, Innovation, and Strategic Planning and Development

# EYC Capacity-Building Track

## Purpose

To help grassroots organizations build organizational capacity and use alternative youth development strategies to engage youth in specific high-need communities.

## Project Strategies

A minimum of one of the three EYC project strategies is required. Applicant must propose how “sub-strategies” are healing-centered, culturally appropriate, and use an equity lens framework.

## Funding

Ten percent of the total EYC funding will support capacity-building grantees who meet the eligibility requirements and selection process.

## Technical Assistance

Grantees will receive technical assistance to support their data collection and evaluation process, policy, project management, youth development, prevention framework, and sustainable long-term project planning.

# EYC Standard Track

## EYC

Focus on youth ages 12 to 26 in communities of color who have been disproportionately impacted by the war on drugs.

## Priority Strategies

- Youth activism (policy, systems, and environmental change)
- Peer-led support programs
- Mentorship/relationship building programs

## Funding Structure

- Grants up to \$1 million

## Priority Sub-Populations

- Homeless
- LGBTQ+
