SUBJECT: Annual SABG County Compliance Unit Findings Report

Dear Administrator Giambra:

The Department of Health Care Services (DHCS) is responsible for monitoring compliance to requirements of the Substance Abuse Block Grant (SABG) and the terms of the Contract operated by Lake County.

The County Compliance Unit (CCU) within the Audits and Investigations Division (A&I) of DHCS conducted a review of the County's compliance with contract requirements based on responses to the monitoring instrument, discussion with county staff, and supporting documentation provided by the County.

Enclosed are the results of Lake County's Fiscal Year 2020-21 SABG compliance review. The report identifies deficiencies, required corrective actions, advisory recommendations, and referrals for technical assistance.

Lake County is required to submit a Corrective Action Plan (CAP) addressing each deficiency noted to the Community Services Division (CSD), Community Support Branch (CSB), Policy, Monitoring and Financing Section (PMFS) Analyst by 1/5/2022. Please use enclosed CAP form and submit the completed CAP and supporting documentation by email to the PMFS analyst at SABGcompliance@dhcs.ca.gov.

If you have any questions, please contact me at susan.volmer@dhcs.ca.gov.

Sincerely,

Susan Volmer

- d) The name of the person who will be responsible for corrections and ongoing compliance.

The PMFS analyst will monitor progress of the CAP completion.

Category 1: ADMINISTRATION

A review of the County's Maintenance of Records, service providers, referrals, services, contracts, and general provisions was conducted to ensure compliance with applicable regulations and standards. The following deficiencies in regulations, standards or protocol requirements were identified:

COMPLIANCE DEFICIENCIES:

CD 1.1.3:

SABG Application, Enclosure 2, III, 7

7. Master Provider File (MPF) Documentation Requirements

The Department shall generate a County MPF Report for the County on the last day of each month and shall send the report to the County. The County shall review the County MPF Report and confirm whether the information, including:
the contract status and identification information for each provider listed in the County MPF Report, is accurate and up to date.

If any information contained in the County MPF Report is inaccurate or has changed, County shall send a written notification to the MPF mailbox at: DHCSMPF@dhcs.ca.gov within five business days of the Department's issuance of the County MPF report.

If a Non-DMC provider's information is not accurate or has changed, the County shall submit the "Existing Provider Information Update/Change Form" to the MPF mailbox at: DHCSMPF@dhcs.ca.gov within five business days of the Department's issuance of the County MPF report.

If the contract status has changed for either a DMC or Non-DMC provider, the County shall submit the "Existing Provider Information Update/Change Form" to the MPF mailbox at: DHCSMPF@dhcs.ca.gov within five business days of the Department's issuance of the County MPF report.

Specific types of changes and/or inaccuracies include, but are not limited to, a change in an existing provider's contract status with the County, a change in scope of services, remodeling of the provider's facility, relocation or facility expansion, or closing of a facility site.

When establishing a new subcontractor relationship, the County shall submit the "New Provider Information Form (Non-DMC) Form" to request a new record be created in the MPF database to identify the new subcontractor. A new CalOMS Data Reporting Number (DRN) will be assigned to the facility. The County's obligation to review the accuracy of the records of their sub-contracted provider(s) extends to all county and out-of-county SUD providers, regardless of the funding source or DHCS licensing and/or certification status.

All SUD Provider Information forms can be requested from the MPF Team through the electronic mail address: DHCSMPF@dhcs.ca.gov

Findings: The County did not demonstrate the MPF was accurate; specifically, County of Lake AOD, Provider number 171717 for prevention service codes.

The County submitted monitoring documentation for Skyway House in Chico; however this provider is not listed on the May 2021 Out of County Referral log or the Out of County Referral log for June 2020.

CD 1.2.4:

SABG Application, Enclosure 2, I, 3, C

C. Sub-recipient Pre-Award Risk Assessment

County shall comply with the sub-recipient pre-award risk assessment requirements contained in 45 CFR 75.205 (HHS awarding agency review of risk posed by applicants). County shall review the merit and risk associated with all potential subcontractors annually prior to making an award.

County shall perform and document annual sub-recipient pre-award risk assessments for each subcontractor and retain documentation for audit purposes.

Findings: The County did not provide evidence that sub-recipient pre-award risk assessments comply with 45 CFR 75.205 requirements.

The County did not demonstrate a process for evaluating or scoring the merit and risk associated with each subcontractor in annual pre-award Risk Assessments.

CD: 1.5.3:

SABG Application Enclosure 2, II, 3

3. No Unlawful Use or Unlawful Use Messages Regarding Drugs

Contractor agrees that information produced through these funds, and which pertains to drugs and alcohol - related programs, shall contain a clearly written statement that there shall be no unlawful use of drugs or alcohol associated with the program. Additionally, no aspect of a drug or alcohol - related program shall include any message on the responsible use, if the use is unlawful, of drugs or alcohol (HSC Section 11999-11999.3). By signing this Contract, Contractor agrees that it will enforce, and will require its Subcontractors to enforce, these requirements.

SABG Application, Enclosure 2, II, 23

23. Subcontract Provisions

County shall include all of the foregoing provisions in all of its subcontracts.

Findings: The County did not make available evidence demonstrating all of the foregoing SABG Application, Enclosure 2, Section II general provisions are included in all executed subcontracts, specifically No Unlawful Use or Unlawful Use Messages Regarding Drugs.

CD: 1.5.4:

SABG Application, Enclosure 2, II, 4

4. Limitation on Use of Funds for Promotion of Legalization of Controlled Substances
None of the funds made available through this Contract may be used for any activity that promotes the legalization of any drug or other substance included in Schedule I of Section 202 of the Controlled Substances Act (21 USC 812).

SABG Application, Enclosure 2, II, 23

23. Subcontract Provisions

County shall include all of the foregoing provisions in all of its subcontracts.

Findings: The County did not make available evidence demonstrating County and subcontractor compliance with the Limitation on Use of Funds for Promotion of Legalization of Controlled Substances.

CD: 1.5.9:

SABG Application, Enclosure 2, II, 14

14. Tribal Communities and Organizations

County shall regularly review population information available through Census, compare to information obtained in the California Outcome Measurement System for Treatment (CalOMS-Tx) to determine whether the population is being reached, and survey Tribal representatives for insight in potential barriers to the substance use service needs of the American Indian/Alaskan Native (AI/AN) population within the County geographic area. Contractor shall also engage in regular and meaningful consultation and collaboration with elected officials of the tribe, Rancheria, or their designee for the purpose of identifying issues/barriers to service delivery and improvement of the quality, effectiveness, and accessibility of services available to AI/NA communities within the County.

SABG Application, Enclosure 2, II, 23

23. Subcontract Provisions

County shall include all of the foregoing provisions in all of its subcontracts.

Findings: The County did not make available evidence demonstrating all of the foregoing SABG Application, Enclosure 2, Section II general provisions are included in all executed subcontracts, specifically Tribal Communities and Organizations.

Category 2: PREVENTION

A review of the SABG Strategic Prevention Plan was conducted to ensure compliance with applicable regulations and standards. The following deficiency in regulations, standards or protocol requirements was identified:

COMPLIANCE DEFICIENCY:

CD: 2.1.2:

SABG Application, Enclosure 2, III, 3 A-E

2. Primary Prevention Substance Use Disorder Data Service

The Primary Prevention Substance Use Disorder Data Service (PPSDS) business rules and requirements are:

- A. Contractors and/or subcontractors receiving SABG Primary Prevention Set-Aside funding shall input planning, service/activity and evaluation data into the service. When submitting data, County shall comply with the PPSDS Data Quality Standards.
[http://www.dhcs.ca.gov/progovpart /Documents/Substance%20Use%20Disorder-PPFD /PPSDS Data Quality Standards.pdf](http://www.dhcs.ca.gov/progovpart/ Documents/Substance%20Use%20Disorder-PPFD/PPSDS%20Data%20Quality%20Standards.pdf).
- B. County shall report services/activities by the date of occurrence on an ongoing basis throughout each month. County shall submit all data for each month no later than the 10th day of the following month.
- C. County shall review all data input into the prevention data collection service on a quarterly basis. County shall verify that the data meets the PPSDS Data Quality Standards. Certification is due by the last day of the month following the end of the quarter.
- D. If County cannot meet the established due dates, a written request for an extension shall be submitted to DHCS Prevention Analyst 10 calendar days prior to the due date and must identify the proposed new due date. Note that extensions will only be granted due to system or service failure or other extraordinary circumstances.
- E. In order to ensure that all persons responsible for prevention data entry have sufficient knowledge of the PPSDS Data Quality Standards, all new users of the service, whether employed by the County or its subcontractors, shall participate in PPSDS training prior to inputting any data.

The PPSDS data quality standards require that:

1. Quality data is timely
2. Quality data is logical
3. Quality data is accurate
4. Quality data is complete
5. Quality data is valid

Findings: An internal review of data compliance standards finds the Primary Prevention SUD Data Service (PPSDS) data submitted during recent submissions to DHCS did not meet the PPSDS data quality standards. In addition, the County did not make available evidence describing the process to ensure the PPSDS data meet data quality standards of logical, accurate, complete, and valid.

Category 3: PERINATAL

A review of the SABG Perinatal services, outreach and Tuberculosis (TB) monitoring was conducted to ensure compliance with applicable regulations and standards. The following deficiencies in regulations, standards or protocol requirements were identified:

COMPLIANCE DEFICIENCIES:

CD 3.1.2:

SABG, Enclosure 2, 3, A, 1, d

1. County's performance under the County Performance Contract and the SABG County Application shall be monitored by DHCS during the term of the County Performance Contract. Monitoring criteria shall include, but not be limited to:
 - d. Whether the County is abiding by the terms of the Perinatal Practice Guidelines.

Perinatal Practice Guidelines, Section B, 4

3. PARTNERSHIPS

Effective communication between providers is essential to delivering quality care to pregnant and parenting women.

SUD providers shall coordinate treatment services with other appropriate services, including health, criminal justice, social, educational, and vocational rehabilitation well as additional services that are medically necessary to prevent risk to a fetus, infant, or mother. Providers shall also provide or arrange for transportation to ensure access to treatment.

45 CFR § 96.132(c)

Additional agreements.

(c) The State shall coordinate prevention and treatment activities with the provision of other appropriate services (including health, social, correctional and criminal justice, educational, vocational rehabilitation, and employment services). In evaluating compliance with this section, the Secretary will consider such factors as the existence of memoranda of understanding between various service providers/agencies and evidence that the State has included prevention and treatment services coordination in its grants and contracts.

Findings: The County did not make available evidence demonstrating effective communication by County and providers in the coordination of treatment services with other appropriate services including:

- Correctional and Criminal Justice

CD 3.2.1:

SABG Application, Enclosure 2, I, 2, D
D Perinatal Practice Guidelines

County shall comply with the perinatal program requirements as outlined in the Perinatal Practice Guidelines as listed online: <https://www.dhcs.ca.gov/individuals/Pages/Perinatal-Services.aspx>.

The County shall comply with the current version of these guidelines until new Perinatal Practice Guidelines are established and adopted. County must adhere to the Perinatal Practice Guidelines, regardless of whether the County exchanges perinatal funds for additional discretionary funds.

45 C.F.R. § 96.126(e)(3)

(e) The State shall require that any entity that receives funding for treatment services for intravenous drug abuse carry out activities to encourage individuals in need of such treatment to undergo such treatment. The States shall require such entities to use outreach models that are scientifically sound, or if no such models are available which are applicable to the local situation, to use an approach which reasonably can be expected to be an effective outreach method. The model shall require that outreach efforts include the following:

- (3) Promoting awareness among injecting drug abusers about the relationship between injecting drug abuse and communicable diseases such as HIV;

Findings: The County did not make available evidence demonstrating Perinatal Outreach strategies for targeted populations include the following required element:

- Promoting awareness among injecting drug abusers about the relationship between injecting drug abuse and communicable diseases such as HIV.

CD 3.2.2:

SABG Application, Enclosure 2, I, 2, D
D Perinatal Practice Guidelines

County shall comply with the perinatal program requirements as outlined in the Perinatal Practice Guidelines as listed online: <https://www.dhcs.ca.gov/individuals/Pages/Perinatal-Services.aspx>.

The County shall comply with the current version of these guidelines until new Perinatal Practice Guidelines are established and adopted. County must adhere to the Perinatal Practice Guidelines, regardless of whether the County exchanges perinatal funds for additional discretionary funds.

45 C.F.R. § 96.131(a)-(b)

(a) The State is required to, in accordance with this section; ensure that each pregnant woman in the State who seeks or is referred for and would benefit from such services is given preference in admissions to treatment facilities receiving funds pursuant to the grant. In carrying out this section, the State shall require all entities that serve women and who receive such funds to provide preference to pregnant women. Programs which serve an injecting drug abuse population and who receive Block Grant funds shall give preference to treatment as follows:

- (1) Pregnant injecting drug users;
- (2) Pregnant substance abusers;
- (3) Injecting drug users; and
- (4) All others.

(b) The State will, in carrying out this provision publicize the availability to such women of services from the facilities and the fact that pregnant women receive such preference. This may be done by means of street outreach programs, ongoing public service announcements (radio/television), regular advertisements in local/regional print media, posters placed in targeted areas, and frequent notification of availability of such treatment distributed to the network of community based organizations, health care providers, and social service agencies.

Findings: The County did not make available evidence demonstrating Outreach strategies for pregnant women include any the following elements:

- Street Outreach Programs;
- Ongoing public service announcements (radio/television);
- Regular advertisements in local/regional print media;
- Posters place in targeted areas;
- Notification distributions to community based organizations;
- Notification distributions to health care providers; and
- Notification distributions to social service agencies.

Category 6: PROGRAM INTEGRITY

A review of the SABG monitoring, privacy, and program integrity was conducted to ensure compliance with applicable regulations and standards. The following deficiencies in regulations, standards or protocol requirements were identified:

COMPLIANCE DEFICIENCIES:

CD 6.1.3:

SABG Application Enclosure 2, I, 3, A, 1, a-e

1. County's performance under the County Performance Contract and the SABG County Application shall be monitored by DHCS during the term of the County Performance Contract. Monitoring criteria shall include, but not be limited to:
 - a. Whether the quantity of work or services being performed conforms to Enclosure 3.
 - b. Whether the County has established and is monitoring appropriate quality standards.
 - c. Whether the County is abiding by all the terms and requirements of this Contract.
 - d. Whether the County is abiding by the terms of the Perinatal Practice Guidelines.
 - e. Whether the County conducted annual onsite monitoring reviews of services and subcontracted services for programmatic and fiscal requirements. County shall submit copy of its monitoring and audit reports to DHCS within two weeks of issuance. Reports shall be sent by secure, encrypted e-mail to:

SUDCountyReports@dhcs.ca.gov or

Audits and Investigations Division
Medical Review Branch
Department of Health Care Services
PO Box 997413, MS-2703
Sacramento, CA 95899-7413

Findings: The County did not make available evidence it conducts an onsite monitoring review of each County managed and County subcontracted program providing SABG funded services.

- The County monitored four (4) of seven (7) SABG funded providers and submitted audit reports of these annual reviews to DHCS.

CD 6.2.3:

County Performance Contract, Exhibit E-1, 3, D, 9

9. Amendment of Department PHI. To make any amendment(s) to Department PHI that were requested by a patient and that the Department directs or agrees should be made to assure compliance with 45 CFR Section 164.526, in the time and manner designated by the Department, with the Contractor being given a minimum of twenty days within which to make the amendment.

45 CFR § 164.526

(a) *Standard: Right to amend.*

(1) *Right to amend.* An individual has the right to have a covered entity amend protected health information or a record about the individual in a designated record set for as long as the protected health information is maintained in the designated record set.

(2) *Denial of amendment.* A covered entity may deny an individual's request for amendment, if it determines that the protected health information or record that is the subject of the request:

- (i) Was not created by the covered entity, unless the individual provides a reasonable basis to believe that the originator of protected health information is no longer available to act on the requested amendment;
- (ii) Is not part of the designated record set;
- (iii) Would not be available for inspection under § 164.524; or
- (iv) Is accurate and complete.

(b) *Implementation specifications: Requests for amendment and timely action -*

(1) *Individual's request for amendment.* The covered entity must permit an individual to request that the covered entity amend the protected health information maintained in the designated record set. The covered entity may require individuals to make requests for amendment in writing and to provide a reason to support a requested amendment, provided that it informs individuals in advance of such requirements.

(2) *Timely action by the covered entity.*

(i) The covered entity must act on the individual's request for an amendment no later than 60 days after receipt of such a request, as follows.

(A) If the covered entity grants the requested amendment, in whole or in part, it must take the actions required by paragraphs (c)(1) and (2) of this section.

(B) If the covered entity denies the requested amendment, in whole or in part, it must provide the individual with a written denial, in accordance with paragraph (d)(1) of this section.

(ii) If the covered entity is unable to act on the amendment within the time required by paragraph (b)(2)(i) of this section, the covered entity may extend the time for such action by no more than 30 days, provided that:

(A) The covered entity, within the time limit set by paragraph (b)(2)(i) of this section, provides the individual with a written statement of the reasons for the delay and the date by which the covered entity will complete its action on the request; and

(B) The covered entity may have only one such extension of time for action on a request for an amendment.

(c) *Implementation specifications: Accepting the amendment.* If the covered entity accepts the requested amendment, in whole or in part, the covered entity must comply with the following requirements.

(1) *Making the amendment.* The covered entity must make the appropriate amendment to the protected health information or record that is the subject of the request for amendment by, at a

minimum, identifying the records in the designated record set that are affected by the amendment and appending or otherwise providing a link to the location of the amendment.

(2) *Informing the individual.* In accordance with paragraph (b) of this section, the covered entity must timely inform the individual that the amendment is accepted and obtain the individual's identification of and agreement to have the covered entity notify the relevant persons with which the amendment needs to be shared in accordance with paragraph (c)(3) of this section.

(3) *Informing others.* The covered entity must make reasonable efforts to inform and provide the amendment within a reasonable time to:

- (i) Persons identified by the individual as having received protected health information about the individual and needing the amendment; and
- (ii) Persons, including business associates, that the covered entity knows have the protected health information that is the subject of the amendment and that may have relied, or could foreseeably rely, on such information to the detriment of the individual.

(d) *Implementation specifications: Denying the amendment.* If the covered entity denies the requested amendment, in whole or in part, the covered entity must comply with the following requirements.

(1) *Denial.* The covered entity must provide the individual with a timely, written denial, in accordance with paragraph (b)(2) of this section. The denial must use plain language and contain:

- (i) The basis for the denial, in accordance with paragraph (a)(2) of this section;
- (ii) The individual's right to submit a written statement disagreeing with the denial and how the individual may file such a statement;
- (iii) A statement that, if the individual does not submit a statement of disagreement, the individual may request that the covered entity provide the individual's request for amendment and the denial with any future disclosures of the protected health information that is the subject of the amendment; and
- (iv) A description of how the individual may complain to the covered entity pursuant to the complaint procedures established in § 164.530(d) or to the Secretary pursuant to the procedures established in § 160.306. The description must include the name, or title, and telephone number of the contact person or office designated in § 164.530(a)(1)(ii).

(2) *Statement of disagreement.* The covered entity must permit the individual to submit to the covered entity a written statement disagreeing with the denial of all or part of a requested amendment and the basis of such disagreement. The covered entity may reasonably limit the length of a statement of disagreement.

(3) *Rebuttal statement.* The covered entity may prepare a written rebuttal to the individual's statement of disagreement. Whenever such a rebuttal is prepared, the covered entity must provide a copy to the individual who submitted the statement of disagreement.

(4) *Recordkeeping.* The covered entity must, as appropriate, identify the record or protected health information in the designated record set that is the subject of the disputed amendment and append or otherwise link the individual's request for an amendment, the covered entity's denial of the request, the individual's statement of disagreement, if any, and the covered entity's rebuttal, if any, to the designated record set.

(5) *Future disclosures.*

- (i) If a statement of disagreement has been submitted by the individual, the covered entity must include the material appended in accordance with paragraph (d)(4) of this section, or, at the election of the covered entity, an accurate summary of any such information, with any subsequent disclosure of the protected health information to which the disagreement relates.
- (ii) If the individual has not submitted a written statement of disagreement, the covered entity must include the individual's request for amendment and its denial, or an accurate

summary of such information, with any subsequent disclosure of the protected health information only if the individual has requested such action in accordance with paragraph (d)(1)(iii) of this section.

(iii) When a subsequent disclosure described in paragraph (d)(5)(i) or (ii) of this section is made using a standard transaction under part 162 of this subchapter that does not permit the additional material to be included with the disclosure, the covered entity may separately transmit the material required by paragraph (d)(5)(i) or (ii) of this section, as applicable, to the recipient of the standard transaction.

(e) *Implementation specification: Actions on notices of amendment.* A covered entity that is informed by another covered entity of an amendment to an individual's protected health information, in accordance with paragraph (c)(3) of this section, must amend the protected health information in designated record sets as provided by paragraph (c)(1) of this section.

(f) *Implementation specification: Documentation.* A covered entity must document the titles of the persons or offices responsible for receiving and processing requests for amendments by individuals and retain the documentation as required by § 164.530(j).

Findings: The County's evidence demonstrating compliance with the Amendment of Department PHI did not include the all the required details of the following element(s):

- Timely action by the covered entity
- Informing the individual
- Informing others
- Statement of disagreement
- Rebuttal statement
- Recordkeeping
- Future disclosures
- Actions on notices of amendment

CD 6.2.5:

County Performance Contract, Attachment A, 1, C
Confidentiality Statement.

All persons that will be working with Department PHI or PI must sign a confidentiality statement that includes, at a minimum, General Use, Security and Privacy Safeguards, Unacceptable Use, and Enforcement Policies. The statement must be signed by the workforce member prior to access to Department PHI or PI. The statement must be renewed annually. The Contractor shall retain each person's written confidentiality statement for Department inspection for a period of six (6) years following termination of this Agreement.

Findings: The County did not make available two (2) of three (3) requested subcontractor's signed confidentiality statements for FY 2019-20 as evidence of compliance.

Category 7: FISCAL

A review of the SABG fiscal services was conducted to ensure compliance with applicable regulations and standards. The following deficiency in regulations, standards or protocol requirements were identified:

COMPLIANCE DEFICIENCY:

CD 7.1.2:

SABG Application, Enclosure 3, I, 1, D, 3

D. Expense Allowability / Fiscal Documentation

3. If the allowability or appropriateness of an expense cannot be determined by DHCS because invoice detail, fiscal records, or backup documentation is nonexistent or inadequate according to generally accepted accounting principles, and generally accepted governmental audit standards, all questionable costs may be disallowed and payment may be withheld by DHCS. Upon receipt of adequate documentation supporting a disallowed or questionable expense, reimbursement may resume for the amount substantiated and deemed allowable.

Findings: The County did not make available evidence to demonstrate the County's knowledge of SABG expense allowability and appropriate fiscal documentation to satisfy compliance with this requirement.

TECHNICAL ASSISTANCE

Lake County did not request Technical Assistance during this review.
