

Medi-Cal's Strategy to Support Health and Opportunity for Children and Families

Improving health and well-being of children and youth in Medi-Cal through building an accountable, organized system of care.

Guiding Principles:

- Addressing health disparities and advancing health equity
- Implementing a whole-child, preventive approach informed by families
- Providing family and community-based care
- Promoting integrated care
- Improving accountability and oversight
- Looking beyond Medi-Cal

Action Areas

New leadership structure and engagement approach

New health plan accountability for quality outcomes

Stronger coverage base for California's children

Family-centered approach

Stronger pediatric preventive and primary care

Child and adolescent behavioral health investments

Streamlined access to pediatric vaccinations

Next steps on the foster care model of care
