The Contractor shall review the County MPF Report and confirm whether the information, including the contract status and identification information for each provider listed in the County MPF Report, is accurate and up to date.

If any information contained in the County MPF Report is inaccurate or has changed, Contractor shall send a written notification to the MPF mailbox at: DHCSMPF@dhcs.ca.gov within five business days of the Department's issuance of the County MPF report. Specific types of changes and/or inaccuracies include, but are not limited to, a change in an existing provider's contract status with the County, a change in scope of services, remodeling of the provider's facility, relocation or facility expansion, or closing of a facility site.

When establishing a new subcontractor relationship, the Contractor shall submit the "New Provider Information Form (Non-DMC) Form" to request a new record be created in the MPF database to identify the new subcontractor. A new CalOMS Data Reporting Number (DRN) will be assigned to the facility.
