DISCUSSION

The enclosed updated summary page for Appendix H of the Audit Assistance Guide provides a chronological listing of the various ADP letters and bulletins that have been disseminated to the treatment and prevention community over the years. This update adds several ADP bulletins that are or may be audit-related and that have been issued up to and including December 31, 2000. Familiarity with this information should minimize the risk of audit exceptions and/or help to understand the rationale behind audit exceptions.

Although the updated summary page contains a brief description of the ADP Bulletins, we are not able to enclose the full text of all of the referenced bulletins. These bulletins can be found at <http://www.adp.cahwnet.gov> on the Internet. It is suggested that county staff who need this information print the bulletins and maintain them in Appendix H of the Audit Assistance Guide behind the enclosed summary page.
