**DISCUSSION**

In accordance with the Department's Strategic Plan goal to support counties and providers in gaining access to grant and other funding information for the prevention and treatment of substance abuse, the Department recently developed and published a Grant Funding Opportunities Web Page!

ADP's Grant Funding Opportunities Web Page provides information on available grants, funding opportunities, and other financial resources, as well as access to other helpful information such as, "How to Develop and Write Grant Proposals or Applications".

Specific information relative to alcohol and drug abuse is also available via links to the National Institute on Alcohol Abuse and Alcoholism (NIAAA) and the National Institute on Drug Abuse (NIDA).

All counties and providers are encouraged to visit the new web page. To gain access, go to the ADP homepage at <http://www.adp.cahwnet.gov/> and click on the link entitled, "Grant Funding Opportunities".
