Dear Mr. Allen:

The Department of Health Care Services (DHCS) submits the enclosed February 2019 Significant Change Compliance Assurance Report confirming that Molina Healthcare Partnership Plan and Health Net Community Solutions are compliant, or have been deemed compliant, with the network certification requirements set forth in 42 Code of Federal Regulations (C.F.R.) sections 438.206, 438.207, and 438.68. The Compliance Assurance Report is submitted in accordance with 42 C.F.R. section 438.207(c)(3). This Report includes an overview of the significant change that necessitated the network certification and the network components reviewed by DHCS to ensure that each Medi-Cal managed care health plan (MCP) has provider networks with the ability to adequately serve the eligible beneficiaries in the impacted service area(s) until June 30, 2019, by which time all MCPs will be subject to the Annual Network Certification.

Should you have any questions or concerns regarding this summary, please contact Nathan Nau, Chief of the Managed Care Quality and Monitoring Division, at (916) 345-7168.

Sincerely,
