MMCD All-Plan Letter 09-003

TO: ALL MEDI-CAL MANAGED CARE HEALTH PLANS

SUBJECT: MEDI-CAL MANAGED CARE CAPITATION REPORT

This letter serves to notify Medi-Cal managed care plans that effective January 1, 2009 the monthly Medi-Cal Managed Care Capitation Report will no longer be mailed hard copy to interested parties, but will be available on the California Department of Health Care Services website. This change is being made to better assist users in obtaining more timely information and to assist in reducing postal expenses to the state. The web-link to the report is below.

The Medi-Cal Managed Care Capitation Report is generated on a monthly basis and has a variety of useful financial information pertaining to all health plan models of the Medi-Cal managed care program. The report contains a complete listing of all health plans the state contracts with to provide managed care to Medi-Cal beneficiaries along with contact information for each health plan. In addition, the report contains non-confidential health plan capitation rates.

If you have any questions or require additional information regarding the report, please contact Tim Keegan at (916) 449-5000.

Sincerely,

Cathy Halverson, Deputy Director
Health Care Operations
