TO:

ALL MEDI-CAL MANAGED CARE HEALTH PLANS

SUBJECT:

DATA REQUEST FOR CHDP (CHILD HEALTH DISABILITY

PREVENTION) REPORT FOR FY 2007-2008 and FY 2008-2009

The Department of Health Care Services (DHCS) requests that its contracted Medi-Call managed care plans (health plans) provide data related to the Children's Health and Disability Program (CHDP) as specified on the attached tables. This data will assist DHCS to prepare a legislative report on pediatric preventive services, as required by Welfare and Institutions Code Section 14138.5.

Please use the tables attached to this letter to provide the requested data for State fiscal years 2007-08 and 2008-09, as indicated by the column headings in each table. This data is specifically requested for children from ages 0 years through 20 years for the data elements highlighted in the heading of each table. On the left side of each table, under the name of health plan(s), show the name of your health plan(s) and under the age categories (0, 1, 2, 3, and 4 and so on to 20), key in the relevant data for that plan. A list of health plans for 2007-2008, and 2008-2009 is also included.

DHCS requests that health plans complete and return the attached tables by February 1, 2011. If you have any questions about this data request, please contact Gurbhag Singh, Financial Management Section, at <a href="mailto:Gurbhag.Singh@dhcs.ca.gov">Gurbhag.Singh@dhcs.ca.gov</a> or (916) 650-6829.

Sincerely,

Tanya Homman, Chief

Medi-Cal Managed Care Division
