OVERVIEW OF THE MENTAL HEALTH SERVICES ACT (MHSA) INTEGRATED THREE-YEAR PROGRAM AND EXPENDITURE PLAN

California voters approved Proposition 63 during the November 2004 General Election. Proposition 63, the Mental Health Services Act [hereinafter "MHSA"], became effective on January 1, 2005. Through imposition of a 1% tax on personal income in excess of \$1 million, the MHSA provides the opportunity for the State Department of Mental Health [hereinafter also "DMH" and "the Department"] to provide increased funding, personnel and other resources to support county mental health programs and monitor progress toward statewide goals for children/youth, adults, older adults and families. Per California Code of Regulations [hereinafter "CCR"], Title 9, Chapter 14, Section 3200.060, "county" means the County Mental Health Programs, two or more counties acting jointly, and/or city-operated programs receiving funds per Welfare and Institutions Code [hereinafter "W&I"] Section 5701.5. The MHSA addresses a broad continuum of prevention, early intervention and service needs and the necessary infrastructure, technology, and training elements that will effectively support the system. Components of the MHSA Integrated Three-Year Program and Expenditure Plan will include those elements required by W&I Code Section 5847 and related regulations including: Community Services and Supports [hereinafter "CSS"], Prevention and Early Intervention, Education and Training, Innovations, and Capital Facilities and Technology.

CSS means mental health and related services provided through the service delivery systems, also known as "Adult and Older Adult Systems of Care" and "Children's System of Care," found in W&I Code Sections 5800 and 5850, respectively, as well as services provided to transition-age youth, as specified in W&I Code Section 5847(c). The three types of service categories that may be funded under the MHSA CSS Component are: Full Service Partnerships, General System Development, and Outreach and Engagement, as described in CCR, Title 9, Chapter 14, Sections 3200.080, 3200.100, and 3200.130, respectively.

 3. If DMH accepts the Contractor's proposed plan of correction, it shall suspend other punitive actions to give the Contractor the opportunity to come into compliance. As a condition of accepting the Contractor's proposed plan, DMH may impose additional obligations on the Contractor. DMH may monitor the Contractor's implementation of the plan of correction as necessary. Before issuing a finding of compliance, DMH may request proof that the corrective action has been successful.
 4. During the period when a plan of correction is in force, the provisions of the plan of correction take precedence over provisions of this Agreement, to the extent the two differ.
 5. If DMH determines that the Contractor has failed to achieve sufficient compliance, funds may be withheld, under all or part of this Agreement, until compliance is achieved.
 6. If at any point during the duration of this agreement, DMH determines that the Contractor is not providing the programs and services described in the Agreement, or is not providing programs and services in a manner consistent with the terms of the Agreement, or is using funds allocated to it through this Agreement for purposes not contained in the Agreement, DMH may withhold funding until the problem is resolved or a plan of correction is agreed upon.

E. Monitoring

Upon the Department's request, the Contractor shall provide DMH with access to any and all programs, including locations, records and staff, for the purpose of monitoring the Contractor's compliance with the terms of this Agreement.

V. AMENDMENT TO THE AGREEMENT

This Agreement may be amended through the mandatory annual update procedure set forth in this Part. In addition, the Contractor or the DMH may, at any time, request an amendment in writing. No additional MHSA funds shall be provided to the Contractor pursuant to the proposed amendment unless and until DMH has approved the Contractor's request and this Agreement has been amended in accordance with this Part.

The Contractor may request an amendment at any time by submitting a written request for modification to DMH. Within 60 (sixty) days of receiving a written request to modify, DMH shall either grant the request to modify; deny the request; grant the request with modifications; or inform the Contractor that additional time is required to consider the request. If DMH does not respond within 60 (sixty) days, the request is deemed denied. The Contractor may resubmit the request.

DMH may propose amending the Agreement by submitting a written proposal to the Contractor.

Unless the modification is documented in a written addendum to this Agreement signed by both the Contractor and DMH, modifications to this Agreement are not legally binding, and the Contractor shall receive no additional funds

VI. RESOLUTION OF DISPUTES

Should a dispute arise between the Contractor and DMH relating to performance under this Agreement, other than disputes governed by the dispute resolution process set forth in CCR, Title 9, Division 1, Chapter 11, the Contractor shall, prior to exercising any other remedy that may be available, file a "Notice of Dispute" with DMH within 10 (ten) days of discovery of the problem. Within 10 (ten) days, DMH shall meet with the Contractor, review the factors in the dispute, and recommend a means for resolving the dispute before a written response is provided to the Contractor. DMH shall provide a written response to the Contractor within 30 (thirty) days of the meeting. The decision of DMH shall be final.

In the event of a dispute, the language contained in this Agreement shall prevail over any other language, including that contained in the Contractor's Three-Year Plan.

The Contractor and DMH shall continue to perform their duties and obligations under this Agreement during any dispute.

I. PAYMENT PROVISIONS

A. Payment

1. Upon the effective date of this Agreement, DMH shall distribute MHSA funds to the Contractor on a quarterly basis one month in advance of the start of each quarter. Quarterly payments will be discontinued if the Contractor is delinquent in submitting the reports required by Exhibit A, Part IV. C and will resume when the required documents and/or information are received. DMH will monitor the Contractor's amount of cash on hand for on-going operations for each component of the MHSA and distributions of funds may be adjusted based on the amount of cash on hand.
2. If the Contractor participates in Medi-Cal mental health programs as a Mental Health Plan, the Contractor shall comply with the requirements and provisions applicable to Medi-Cal Mental Health Managed Care contained or referenced in regulations, policies and statute, and Medi-Cal Mental Health Managed Care Agreement.

B. Budget Contingencies

1. DMH may adjust or revise the Contractor's planning estimate to provide for increases or decreases in the amount of funds expected to be available for the Contractor's approved programs. The contractor may submit a revised budget plan and request an amendment to this agreement to change or alter its proposed programs to adjust to the revised planning estimate of funds available.
2. If there is insufficient money available in the Fund to implement or operate the programs funded by this Agreement or to fund the amount of the annual planning estimate, DMH, with the input of the California Mental Health Directors Association, may revise the planning estimate or may decide to use some or all of the prudent reserve to fund the approved programs. Decisions to use the prudent reserve will be made on a statewide basis.
3. If funds, including the prudent reserve, are not sufficient to implement and/or operate a program or provide a service, those provisions of this Agreement addressing that program or service shall be void and shall have no further force or effect. Neither DMH nor the State shall have any duty to provide funds to the Contractor for that program or service, and the Contractor shall have no obligation to perform those programs or services. If funds are insufficient to implement and/or operate the Agreement, the Agreement shall be void and shall have no further force or effect.

Upon DMH's request, Contractor agrees to promptly enter into negotiations with DMH concerning an amendment to these Provisions embodying written assurances consistent with the standards and requirements of HIPAA, the HIPAA regulations or other applicable laws. DMH may terminate this Agreement upon thirty (30) days written notice in the event (i) Contractor does not promptly enter into negotiations to amend these Provisions when requested by DMH pursuant to this Section or (ii) Contractor does not enter into an amendment providing assurances regarding the safeguarding of PHI that DMH in its sole discretion, deems sufficient to satisfy the standards and requirements of HIPAA and the HIPAA regulations.
15. *No Third-Party Beneficiaries.* Nothing express or implied in the terms and conditions of these Provisions is intended to confer, nor shall anything herein confer, upon any person other than DMH or Contractor and their respective successors or assignees, any rights, remedies, obligations or liabilities whatsoever.
16. *Interpretation.* The terms and conditions in these Provisions shall be interpreted as broadly as necessary to implement and comply with HIPAA, the HIPAA regulations and applicable State laws. The parties agree that any ambiguity in the terms and conditions of these Provisions shall be resolved in favor of a meaning that complies and is consistent with HIPAA and the HIPAA regulations.
17. *Regulatory References.* A reference in the terms and conditions of these Provisions to a section in the HIPAA regulations means the section as in effect or as amended.
18. *Survival.* The respective rights and obligations of Contractor under Section 6.C of these Provisions shall survive the termination or expiration of this Agreement.
19. *No Waiver of Obligations.* No change, waiver or discharge of any liability or obligation hereunder on any one or more occasions shall be deemed a waiver of performance of any continuing or other obligation, or shall prohibit enforcement of any obligation, on any other occasion.

B. Confidentiality of Data and Documents

1. Except as otherwise required by law, the Contractor shall not disclose data or documents or disseminate the contents of the final or any preliminary report without express permission of the Department.

2. Permission to disclose information or documents on one occasion or at public hearings held by the Department relating to the same shall not authorize the Contractor to further disclose such information or documents on any other occasion, except as otherwise required by law.

5. Each subcontract shall contain the foregoing provisions related to the confidentiality of data and nondisclosure of the same.
6. After any data or documents submitted has become a part of the public records of the State, the Contractor may, if it wishes to do so, at its own expense and upon approval by the Department, publish or utilize the same but shall include the following legend:

VII. PROVISIONS RELATING TO DATA

- A. "Data" as used in this Agreement means recorded information, regardless of form or characteristics, of a scientific or technical nature. It may, for example, document research, experimental, developmental or engineering work; or be usable or be used to define a design or process; or support a premise or conclusion asserted in any deliverable document called for by this Agreement. The data may be graphic or pictorial delineations in media, such as drawings or photographs, charts, tables, mathematical modes, collections or extrapolations of data or information, etc. It may be in machine form, as punched cards, magnetic tape, computer printouts, or may be retained in computer memory.
- B. "Proprietary data" is such data as the Contractor has identified in a satisfactory manner as being under the Contractor's control prior to commencement of performance of this Agreement and which has been reasonably demonstrated as being of a proprietary force and effect at the time this Agreement is commenced.
- C. "Generated data" is that data that a Contractor has collected, collated, recorded, deduced, read out or postulated for utilization in the performance of this Agreement. Any electronic data

processing program, model or software system developed or substantially modified by the Contractor in the performance of this Agreement at State expense, together with complete documentation thereof, shall be treated in the same manner as generated data.

- D. "Deliverable data" is that data which under terms of this Agreement is required to be delivered to the Department. Such data shall be the property of the Department.
- E. "Generated data" shall be the property of the Department unless and only to the extent that it is specifically provided otherwise herein or by agreement of DMH and the Contractor.
- F. The title to the Contractor's proprietary data shall remain in the Contractor's possession throughout the term of this Agreement and thereafter. As to generated data which is reserved to the Contractor by express terms of this Agreement and as to any preexisting or proprietary data which has been utilized to support any premise, postulate or conclusion referred to or expressed in any deliverable hereunder, the Contractor shall preserve the same in a form which may be introduced in evidence in a court of competent jurisdiction at the Contractor's own expense for a period of not less than three years after receipt by the State of the final report or termination of this Agreement and any and all amendments hereto, or for three years after the conclusion or resolution of any and all audits or litigation relevant to this Contract, whichever is later.
- G. Prior to the expiration of such time, and before changing the form of or destroying any such data, the Contractor shall notify the Department of any such contemplated action; and the Department may, within 30 (thirty) days after said notification, determine whether it desires said data to be further preserved and, if the Department so elects, the expense of further preservation of said data shall be paid for by the Department. The Contractor agrees that the Department shall have unrestricted reasonable access to the same during said three-year period and throughout the time during which said data is preserved in accordance with this Agreement, and the Contractor agrees to use best efforts to furnish competent witnesses or to identify such competent witnesses to testify in any court of law regarding said data.

VIII. CHANGES IN TIME FOR PERFORMANCE OF TASKS

The time for performance of the tasks and items within the budget, but not the total Agreement price, may be changed with the prior written approval of the Department. However, the date for completion of performance and the total Agreement price, as well as all other terms not specifically accepted may be altered only by formal amendment of this Agreement.

IX. PATIENTS' RIGHTS

The parties to this Agreement shall comply with all applicable laws and regulations relating to patients' rights.

X. WAIVER

No waiver of any breach of this Agreement shall be held to be a waiver of any other or subsequent breach. All remedies afforded in this Agreement shall be taken and construed as cumulative; that is, in addition to every other remedy provided therein or by law. The failure of the Department to enforce at any time the provisions of this Agreement, or to require at any time performance by the Contractor of any of the provisions, shall in no way be construed to be a waiver of such provisions not to affect the validity of this Agreement or the right of the Department to enforce said provisions.

XI. CONTRACT IS COMPLETE

Other than as specified herein, no document or communication passing between the parties hereto shall be deemed a part of this Agreement.

XII. CAPTIONS

The clause headings appearing in this Agreement have been inserted for the purpose of convenience and ready reference. They do no purport to and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they pertain.

XIII. PUBLIC HEARINGS

If public hearings on the subject matter dealt with in this Agreement are held within one year from the contract expiration date, the Contractor will make available to testify the personnel assigned to this Agreement at the hourly rates specified in the Contractor's proposed budget.

XIV. FORCE MAJEURE

Neither the State nor the Contractor shall be deemed to be in default in the performance of the terms of this Agreement if either party is prevented from performing the terms of this Agreement by causes beyond its control, including and without being limited to: acts of God, interference, rulings or decisions by municipal, Federal, State or other governmental agencies, boards or commissions; any laws and/or regulations of such municipal, State, Federal, or other governmental bodies; or any catastrophe resulting from flood, fire, explosion, or other causes beyond the control of the defaulting party. If any of the stated contingencies occur, the party delayed by force majeure shall as soon as reasonably possible give the other parties written notice of the cause of delay. The party delayed by force majeure shall use reasonable diligence to correct the cause of the delay, if correctable, and if the condition that caused the delay is corrected, the party delayed shall immediately give the other parties written notice thereof and shall resume performance under this Agreement.

XV. PERMITS AND LICENSES

The Contractor shall procure and keep in full force and effect during the term of this Agreement all permits, registrations and licenses necessary to accomplish the work specified in this Agreement, and give all notices necessary and incident to the lawful prosecution of the work.

The Contractor shall keep informed of, observe, comply with, and cause all of its agents and employees to observe and comply with all prevailing Federal, State, and local laws, and rules and regulations made pursuant to said Federal, State, and local laws, which in any way affect the conduct of the work of this Agreement. If any conflict arises between provisions of the plans and specifications and any such law above referred to, then the Contractor shall immediately notify the Department in writing.

XVI. LITIGATION

The Department, promptly after receiving notice thereof, shall notify the Contractor in writing of the commencement of any claim, suit, or action against the Department or its officers or employees for which the contractor must provide indemnification under this Agreement. The failure of the Department to give such notice, information, authorization or assistance shall not relieve the Contractor of its indemnification obligations. The Contractor shall promptly notify the Department of any claim or action against it which affects, or may affect, this Agreement, the terms and conditions hereunder, or the Department, and shall take such action with respect to said claim or action which is consistent with the terms of this Agreement and the interest of the Department.

XVII. SEVERABILITY

If any provision of this Agreement is held invalid by a court of competent jurisdiction, such invalidity shall not affect any other provision of this Agreement and the remainder of this Agreement shall remain in full force and effect. Therefore, the provisions of this Agreement are and shall be deemed to be severable.

XVIII. PUBLIC CONTRACT CODE

The Contractor is advised that provisions of Public Contract Code Sections 10355 through 10382 pertaining to the duties, obligations and rights of a consultant service contractor are applicable to this Agreement.

XIX. WAIVER OF DEFAULT

Waiver of any default will not be deemed to be a waiver of any subsequent default. Waiver of breach of any provision of this Agreement will not be deemed to be a waiver of any other or subsequent breach, and will not be construed to be a modification of this Agreement.

XX. CONFLICT OF INTEREST CERTIFICATION

In accordance with State laws and Departmental policy, no employees (including contractors) shall participate in incompatible activities which are in conflict with their job duties. In addition, State law requires employees whose positions are designated in the Department's Conflict of Interest Code to file statements of economic interest. Employees whose positions have been designated will be notified by the department if a statement is required.

In signing this contract, I certify that I have read and understand the following:

Activities and enterprises deemed to fall in these categories shall include, but not be limited to all of the following:

1. Using the prestige or influence of the State or the appointing authority for the private gain or advantage of the officer or employee, or the private gain of another.

2. Using, or having access to, confidential information available by virtue of state employment for private gain or advantage or providing confidential information to persons to whom issuance of this information has not been authorized.
3. Receiving or accepting money or any other consideration from anyone other than the State for the performance of his or her duties as a state officer or employee.
4. Performance of an act in other than his or her capacity as a state officer or employee knowing that the act may later be subject, directly or indirectly to the control, inspection, review, audit, or enforcement by the officer or employee.

6. Subject to any other laws, rules, or regulations as pertain thereto, not devoting his or her full time, attention, and efforts to his or her state office or employment during his or her hours of duty as a state officer or employee.
