Ms. Henrietta Sam-Louie Associate Regional IX Administrator Division of Medicaid and Children's Health Operations Centers for Medicare & Medicaid Services San Francisco Regional Office 90 Seventh Street, Suite 5-300 (5W) San Francisco, CA 94103-6707

Dear Ms. Henrietta Sam-Louie:

STATE PLAN AMENDMENT (SPA) 17-027

The Department of Health Care Services (DHCS) is submitting State Plan Amendment (SPA) 17-027 for your review and approval. This SPA proposes to restore adult optional dental benefits for beneficiaries ages 21 and older with full-scope dental coverage.

The restored benefits would be effective January 1, 2018, pursuant to Senate Bill 97 (Chapter 52, Statutes of 2017) which amended Welfare and Institutions Code, Section 14131.10. DHCS proposes to restore adult optional dental benefits that were not restored in May 2014 (SPA 13-018). Restored benefits will include, for example, laboratory processed crowns, posterior root canal therapy, periodontal services, and partial dentures, including denture adjustments, repairs, and relines. The full dental benefits are listed in the Dental Provider Handbook, Section 5, Manual of Criteria, posted on the Denti-Cal website.

Indian Health Programs and Urban Indian Organizations were provided notification by way of a Tribal Organizational Summary detailing the provisions of this proposed SPA on October 5, 2017, and were given the opportunity to comment on this proposal. A copy of that notice is also enclosed. As of November 7, no comments have been received.
