NOTICE OF GENERAL PUBLIC INTEREST
RELEASE DATE: SEPTEMBER 30, 2022**

**PROPOSED STATE PLAN AMENDMENT TO CALIFORNIA MEDICAID STATE
PLAN, TARGETED CASE MANAGEMENT (TCM) REIMBURSEMENT
METHODOLOGY**

This notice is to provide information of public interest about a proposed State Plan Amendment (SPA) by the Department of Health Care Services (DHCS). The proposed SPA 22-0032 will amend Attachment 4.19-B page 5d, to re-define the term “encounter” to include the provision of TCM services appropriately provided face-to-face, as well as through video synchronous and audio-only synchronous telehealth interactions. The purpose of this amendment is to expand the methods of delivering TCM services that are eligible for reimbursement to increase participation and access to TCM services.

DHCS estimates that the annual aggregate Medi-Cal expenditures for TCM services will be budget neutral.

The effective date of the proposed SPA is January 1, 2023. All proposed SPAs are subject to approval by the Federal Centers for Medicare and Medicaid Services (CMS).
