

**DEPARTMENT OF HEALTH CARE SERVICES  
NOTICE OF GENERAL PUBLIC INTEREST  
RELEASE DATE: DECEMBER 21, 2022**

**PROPOSED STATE PLAN AMENDMENT REGARDING SUPPLEMENTAL  
PAYMENTS TO ELIGIBLE HOSPITALS IN THE HOSPITAL QUALITY ASSURANCE  
FEE PROGRAM UP TO THE FEDERAL UPPER PAYMENT LIMIT**

This notice provides information of public interest that the Department of Health Care Services (DHCS) proposes to submit State Plan Amendment (SPA) 22-0057. Proposed SPA 22-0057 will provide supplemental payments to eligible hospitals that meet specified requirements and provide hospital outpatient services to Medi-Cal beneficiaries. The nonfederal share of these supplemental payments is funded by California's Hospital Quality Assurance Fee (HQAF), in accordance with Section 3.5 of Article XVI of the California Constitution and the Medi-Cal Hospital Reimbursement Improvement Act of 2013 (California Welfare and Institutions Code section 14169.50, et. seq.).

Supplemental payments provided to hospitals would be up to the aggregate upper payment limit (UPL) for the period of January 1, 2023 through December 31, 2024. The proposed SPA would allow payment to be on a lump-sum quarterly basis, and would not be paid as individual increases to current reimbursement rates for specific services.

Payments to eligible California private hospitals would supplement, and not supplant, existing levels of payments. Additionally, the payments would be subject to all applicable federal payment requirements and limits.

The proposed SPA is estimated to increase the aggregate payments to specified California private hospitals from January 1, 2023, through December 31, 2024. The corresponding hospital fee model is still under development. Pending finalization of the hospital fee model, the annual aggregate expenditures for outpatient services may be approximately \$685 million. However, this amount is subject to finalization of the hospital fee model and may change.

The effective date of the proposed SPA is January 1, 2023.

All proposed SPAs are subject to approval by CMS.
