STATE PLAN AMENDMENT 18-0041 DIABETES PREVENTION PROGRAM

Dear Mr. Hoang:

The Department of Health Care Services (DHCS) is submitting an update to the Alternative Benefit Plan, State Plan Amendment (SPA) 18-0041, for your review and approval. SPA 18-0041 will add the Diabetes Prevention Program (DPP) as a Medi-Cal benefit to prevent, or delay the onset of, type 1 and type 2 diabetes. SPA 18-0041 will add DPP services for adults ages 18 years and older who meet certain federal Centers for Disease Control and Prevention (CDC) Diabetes Prevention Recognition Program (DPRP) eligibility criteria, as required by Senate Bill 97 (Committee on Budget and Fiscal Review, Chapter 52, Statutes of 2017) and Assembly Bill 1810 (Committee on Budget, Chapter 34, Statutes of 2018). SPA 18-0040 has an effective date of January 1, 2019.

The DPP is an evidence-based, lifestyle change program that is provided through trained peer coaches who use a curriculum approved by the CDC. The DPP core benefit lasts one year, and additional less intensive ongoing maintenance sessions are provided for eligible beneficiaries who achieve and maintain a required minimum weight loss of five percent from the first core session. Medi-Cal providers can recommend participation in the DPP to eligible Medi-Cal beneficiaries who meet the criteria described in the CDC's DPRP. SPA 18-0041 will add the DPP to Attachment 3.1L, Alternative Benefit Plan 05, page 43.

In compliance with the American Recovery and Reinvestment Act of 2009 (ARRA), DHCS released the tribal notice on November 18, 2018, and held a webinar on November 30, 2018. The tribal notice and comments/responses, if any, are on the DHCS website at: <a href="http://www.dhcs.ca.gov/services/rural/Pages/Tribal\_Notifications.aspx.">http://www.dhcs.ca.gov/services/rural/Pages/Tribal\_Notifications.aspx.</a> In

Mr. Dzung Hoang Page 2 December 26, 2018
