

LEA Medi-Cal Billing Option Program – Cost and Reimbursement Comparison Schedule (CRCS) Flow Chart

Under the Audits and Investigations Branch, there are two divisions that work on the LEA BOP's CRCS report. The Audit Review and Analysis Section (ARAS) accepts and files the CRCS report. ARAS' work is represented in purple in the flow chart. After the accepted CRCS report is filed, it is the Special Program Section (SPS) that audits the CRCS report. This section is represented in blue.
