

Behavioral Health Integration Incentive Program Award Determination List

April 9, 2021

The Department of Health Care Services (DHCS) is pleased to announce that the following Medi-Cal Managed Care Plans (MCPs) and partner organizations has been approved to implement its Behavioral Health Integration (BHI) Incentive Program starting January 1, 2021 and continuing through December 31, 2022. DHCS approved project options based on information provided in the BHI Incentive Program applications and other plan-submitted supporting documentation.

This award determination list is a point in time snapshot of the voluntary participation by MCPs and partner organizations.
