Proposition 64 YEPEITA Contract Updates

CNRA Program Updates

The slide features a decorative graphic consisting of several overlapping, wavy, horizontal bands in various shades of purple, ranging from a deep magenta to a light lavender. These bands flow across the middle of the slide, creating a sense of movement and depth.

CDSS Program Updates

A decorative graphic consisting of several overlapping, wavy, horizontal bands in various shades of purple, spanning the width of the slide below the title.

CDPH Program Updates

A decorative graphic consisting of several overlapping, wavy, horizontal bands in various shades of purple, ranging from a deep magenta to a light lavender. The bands flow across the middle of the slide, creating a sense of movement and depth.

Break

EYC Cohort Updates

Sierra Health Foundation: Center for Health
Management

A decorative graphic consisting of two overlapping, wavy, horizontal bands of purple. The top band is a darker shade of purple, and the bottom band is a lighter shade. They overlap in the center, creating a gradient effect.

Member Update

Lynn D. Silver M.D., Public Health Institute

Next Steps

A decorative graphic consisting of several overlapping, wavy, horizontal bands in various shades of purple, spanning the width of the slide below the main title.
