Draft Needs Assessment

- Process
- Presentation

DRAFT Youth SUD Treatment Services Needs Assessment Findings

Diane Letoto, Analyst

DHCS Program, Policy and Fiscal Division

Policy and Prevention Branch

Youth SUD Population

- U.S. Census:
 - California population for 2017 - nearly 39.5 million
 - 23.2 percent are under the age of 18
- CalOMS Tx:
 - Thousands <18 admitted to SUD treatment
 - FY 2013-14 - Approximately 15,000 youth
 - FY 2014-15 - A little over 12,000 youth

Drug and Alcohol-induced Deaths Ages 15-19 1999-2015

- Deaths occurred throughout the state
- Higher death rates in southern California
 - Areas with higher population, for example, San Diego, Los Angeles, San Bernardino
 - >62-207
 - One death is one too many

Youth <18 Admitted in DHCS Monitored Facility by County

- Spread throughout the state
- Higher concentration in southern California
 - Counts over 500
 - For example, San Diego, Riverside, Tulare, Fresno
 - Counts 100-499
 - For example, San Bernardino, Kern, San Luis Obispo, Monterey
 - Counts 1-99 primarily in central to northern California

Counties Admitting <18 Year Olds to SUD Treatment at a HIGHER proportion than California average

- 22 Above California Average
- Top 5 listed in table

County	State-wide ranking
Fresno	1
Santa Barbara	2
Alpine	3
Napa	4
Sierra	5

Counties Admitting <18 Year Olds to SUD Treatment at a LOWER proportion than California average

- 31 Counties below California average
- Bottom 5 listed in table

County	State-wide ranking
Yuba + Sutter	47
Stanislaus	46
San Joaquin	45
Madera	44
Mono	43

Locations of Department of Social Services Certified Group Homes

- 193 residential beds
 - 21 group homes in 11 counties
- 82 beds for girls
- 74 beds for boys
- 27 beds for co-ed

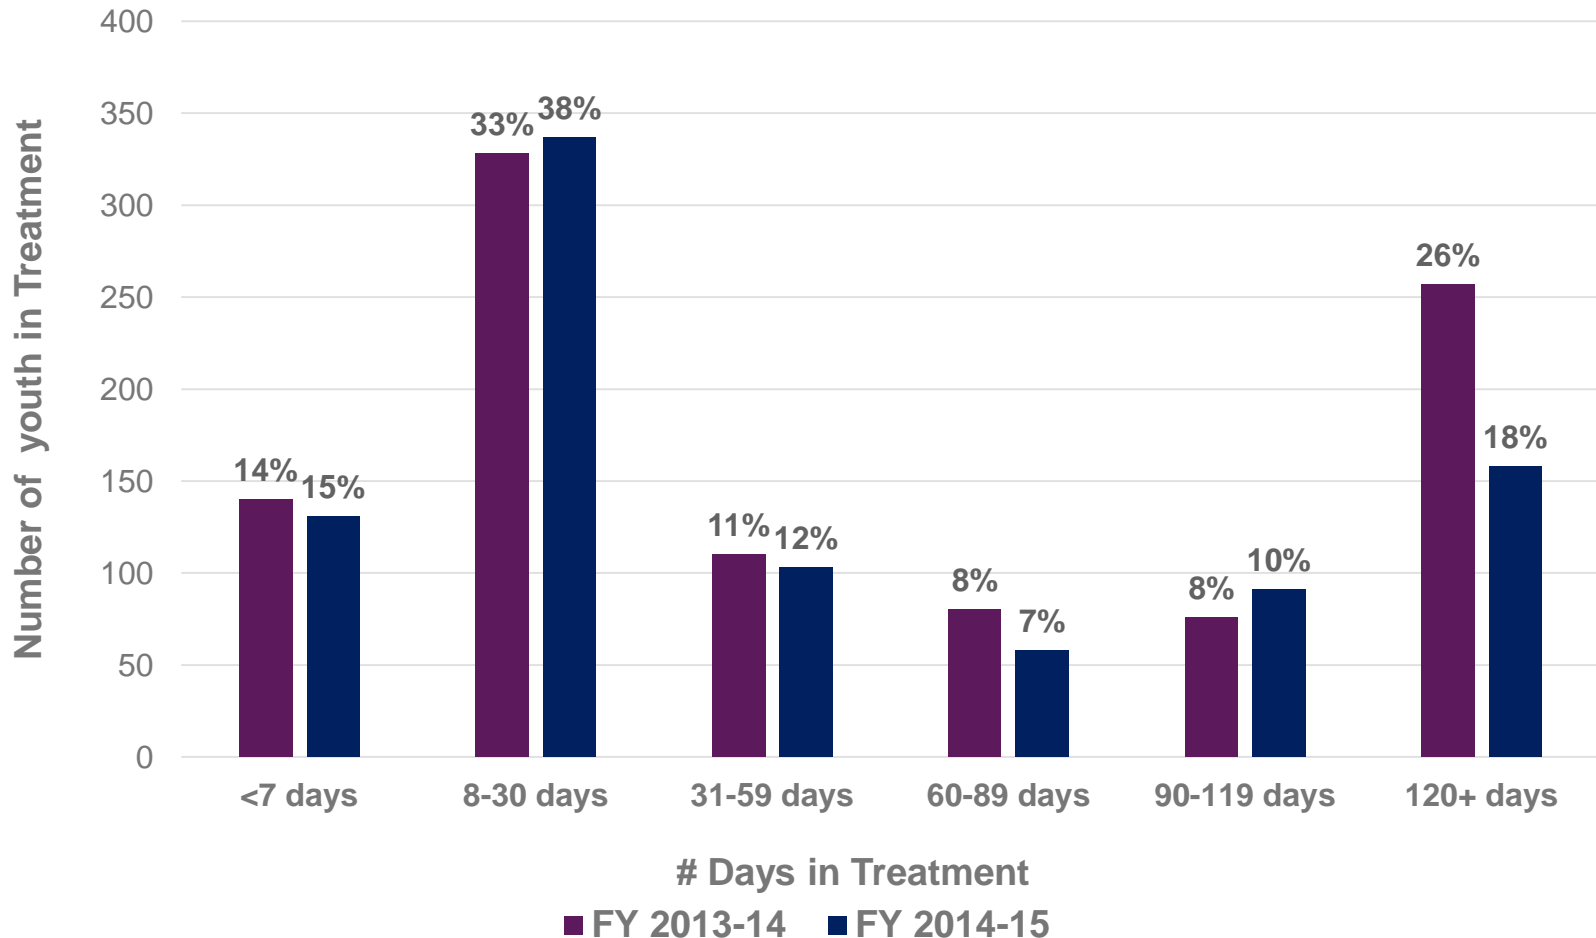

Locations of DSS Residential Homes

- **Southern California**
 - Los Angeles, Orange, San Diego
- **Central California**
 - Stanislaus
- **Northern California**
 - Sacramento, Placer, Sonoma, Marin, Santa Cruz, Santa Clara

Workforce Development

- Shortage of trained workforce
- Gap in higher education curriculum for behavioral health professionals specializing in youth SUD
- Limitations in continuing education courses

Workforce Development cont'd.

- Licensed Practitioner of the Healing Arts (LPHA) or California certified counselor staff requirement
- Department of Education and other oversight agency collaboration

FUNDING

- Substance Abuse Prevention and Treatment Block Grant
- FY 2013-14
 - \$7.3 Million for youth SUD treatment
 - 25,720 youth served
 - \$285 per youth

Drug Medi-Cal Funding

- Outpatient and residential SUD treatment services
- Outpatient drug-free programs
- Narcotic treatment programs

Moving Forward

- Strategies to fill gaps
 - Build SUD infrastructure
- Statewide SUD treatment system of care for youth

Identified Priorities

- Workforce development
- Access to care
- Assessment Process

Closing Remarks

Workgroups

- Workforce development
 - Room 155
 - Call in number: 1-877-8953
 - Passcode: 6870584
- Access to care
 - Room 154
 - Call in number: 1-877-211-7469
 - Passcode: 5414811
- Assessment Process
 - Room 146
 - Call in number: 1-888-557-8511
 - Passcode: 612066
