

CalAIM PATH Round 1 Funding Awards

Current as of 11/16/2022

Background:

The second table below lists all PATH Round 1 Funding awardees by jurisdiction and applying entity. It also lists the award amount and a high-level description of the awardee's proposed use of the funding. Definitions for permissible uses of funding as described in California's Department of Health Care Services' (DHCS) [PATH Round 1 Guidance](#) are highlighted below.

Proposed Use of Funding	Definition
Collaborative Planning	Facilitating meetings and collaborative planning sessions between correctional institutions and county social service departments.
Vendors/Consultants	Hiring of vendors or consultants to help identify operational gaps that need to be addressed in order to implement pre-release enrollment and suspension processes, including but not limited to IT system modifications.
Initial Staffing Costs	Support for initial costs related to recruiting, hiring, and onboarding staff who will have a direct role in planning for implementation of pre-release enrollment and suspension processes.
Staff Time	Support for staff time devoted to planning, meeting facilitation, and development of applications for PATH Round 2.
Other	Any permissible use of funding not described above.
