**Annual Mental Health Services Act Revenue and Expenditure Report for Fiscal Year 2011-12
Identification of Unspent Funds**

END NOTES:

- ¹ For purposes of reporting on the RER, revenues should be recognized in the accounting period in which they become available and measurable. (Accounting Standards and Procedures for Counties, State Controller's Office, May 2003)
- ² Funds received include funds delegated by the County to CalMHSA in FY 2011-12 that were not deposited into the local MHS Fund.
- ³ Fund sources for each component must equal the total program expenditures as reported on the Component Summary Worksheets.
- ⁴ WIC Section 5892(b) permits a County to use up to 20 percent of the average amount of funds allocated to the county for the previous five years to fund technological needs and capital facilities, human resource needs, and a prudent reserve. The amount of funds transferred from CSS should be reported in the CSS column as a negative amount. The funds transferred into WET, CFTN, or Prudent Reserve should be reflected as a positive amount. For each year reported, the amount transferred from CSS should equal zero when added to the funds transferred into WET, CFTN, or Prudent Reserve.
- ⁵ The amount of CSS, PEI, INN, TTACB, or PEI Statewide Project funds that reverted on June 30, 2012 auto populates. The amount of CSS, PEI, and INN funds that are subject to reversion may change when calculated per Information Notice 11-15.
- ⁶ Information Notice 08-07 identifies criteria that must be met for funds to be considered available and to trigger the beginning of the reversion period. For FY 08/09, the criteria was not met, thus allowing counties an additional year to expend certain funds.
- ⁷ Total MHSA Unspent Funds will auto populate for each Fiscal Year.
