FACILITIES**

I. Introduction

- A. This document, labeled Supplement 4 to Attachment 4.19-D, describes the overall reimbursement rate methodology for skilled nursing facility services provided to Medi-Cal recipients by: (1) freestanding skilled nursing facilities level-B (FS/NF-B), both publicly and privately operated, and (2) subacute care units of FS/NF-Bs as defined in California Code of Regulations, title 22, section 51124.5.
- B. This Supplement is submitted by the single State Medicaid (Medi-Cal) Agency, the State of California Department of Health Services (hereinafter "Department"). This Supplement is necessary to describe changes to the FS/NF-B reimbursement rate methodology adopted by the 2004 State Legislature in Assembly Bill (AB) 1629, signed into law on September 29, 2004, as Chapter 875 of the Statutes of 2004.
- C. AB 1629 establishes the Medi-Cal Long-Term Care Reimbursement Act, which mandates a facility-specific rate-setting methodology effective on August 1, 2005; and which will cease to be operative on and after July 31, 2008. This statute requires the Department to develop and implement a Medi-Cal cost-based facility-specific reimbursement rate methodology for Medi-Cal participating FS/NF-Bs, including FS/NF-Bs with subacute care beds. AB 203, signed into law on August 24, 2007, as Chapter 188 of the Statutes of 2007, extends the operative date to July 31, 2009. AB 1183, signed into law on September 30, 2008, as Chapter 758 of the Statutes of 2008, extends the operative date to July 31, 2011. SB 853, signed into law on October 19, 2010, as Chapter 717 of the Statutes of 2010, extends the operative date to July 31, 2012. ABX1 19, signed into law on June 28, 2011, as Chapter 4 of the Statutes of 2011, extends the operative date to July 31, 2013. AB 1489, signed into law on September 27, 2012, as Chapter 631 of the Statutes of 2012, extends the operative date to July 31, 2015.
- D. The cost-based reimbursement rate methodology is intended to reflect the costs and staffing levels associated with the quality of care for residents in FS/NF-Bs. This methodology will be effective August 1, 2005, and will be implemented the first day of the month following federal approval. A retroactive increase in reimbursement rates to August 1, 2005, to FS/NF-Bs will be provided in the event that federal approval occurs after the effective date of the methodology.
- E. The reimbursement rates established will be based on methods and standards described in Section V of this Supplement.
- F. Provisions of this legislation require that the facility-specific reimbursement rates for rate years 2005/06 and 2006/07 will not be less than the rates developed based upon the methodology in effect as of July 31, 2005, as described in Attachment 4.19-D, Pages 1 through 22 of the State Plan, plus projected proportional costs for new state or federal mandates for the applicable rate years.

- G. For services provided on and after June 1, 2011 through July 31, 2012, Medi-Cal payments will equally be reduced by 10 percent. Specifically, for the period June 1, 2011 through July 31, 2011, the payment is based on the 2010-11 rate that would otherwise be paid to each FS/NF-B, reduced by 10 percent. Accordingly, for the period August 1, 2011 through July 31, 2012, the payment is based on the 2011-12 rate that otherwise would be paid to each FS/NF-B, reduced by 10 percent. The Department will determine the amount of reduced payments for each FS/NF-B, equivalent to the 10 percent payment reduction for the period beginning June 1, 2011, through July 31, 2012, and provide a supplemental payment to each FS/NF-B no later than December 31, 2012.
- H. To the extent that the prospective facility-specific reimbursement rates are projected to exceed the adjusted limits calculated pursuant to VI.A, VI.B, VI.C, VI. D, VI. E, and VI.F of this Supplement, the Department will adjust the increase to each FS/NF-B's projected reimbursement rate for the applicable rate year by an equal percentage.
- I. The payment reductions in the previous section(s) will be monitored in accordance with the monitoring plan at Attachment 4.19-F, entitled "Monitoring Access to Medi-Cal Covered Healthcare Services.
- J. For the 2012/13 rate year, FS/NF-Bs will be reimbursed the facility specific Medi-Cal reimbursement rate effective on August 1, 2011, excluding the reductions specified in VI.G, plus the cost of complying with new state or federal mandates.
- K. For the 2013/14 rate year, the maximum annual increase in the weighted average Medi-Cal reimbursement rate will not exceed 3 percent of the maximum annual increase in the weighted average rate from the 2012/13 rate year, plus the projected FS/NF-B Medi-Cal cost of complying with new state or federal mandates.
- L. For the 2014/15 rate year, the maximum annual increase in the weighted average Medi-Cal reimbursement rate will not exceed 3 percent of the maximum annual increase in the weighted average rate from the 2013/14 rate year, plus the projected FS/NF-B Medi-Cal cost of complying with new state or federal mandates.
