

# MAGI INCOME AND DEDUCTION TYPES

Confused about what income to include? This chart will help you check what income you need to include on your application. On the left are different types of income and deductions.

1. Find which income type you are wondering about. Then look under the columns “MAGI M/C” or “APTC/CSR” to see if you should include it on your application. MAGI M/C is for the Medi-Cal rules and APTC/CSR is for Covered California subsidies.
2. If it says “counted” in either one of the columns, you should put it on your application. You will see that for almost all income types the answer is the same in both columns.
3. If it says that your income type is “not counted” you don’t need to put it on your application.
4. “Lump sum” payments—money you get one time only. If you are putting in a “lump sum” payment of any type, please put down that you expect to get it as a “one-time payment.”

Remember, you do not have to file taxes to apply for Medi-Cal. The chart lists IRS forms next to some types of income just as a guide
