

Still in foster care, or recently left care?  
You may automatically get

# FREE Health Care until age 26!

Were you in foster care on your 18th Birthday or later?

If your answer is **YES**, you may qualify for **FREE** Medi-Cal until age 26, and your income does not matter!

You do **NOT** need to reapply for Medi-Cal if you are still in foster care or recently left care **in California**.

If you were in foster care in **another state or left care BEFORE January 1, 2014**, you can sign up using a 1-page form.

For more information about the Medi-Cal program for former foster youth, visit:
