BULLETIN 2021-003

DATE: 09/13/2021

TO: Navigators Project Partners Counties and Community-Based Organizations

FROM: Medi-Cal Health Enrollment Navigators Project (Navigators Project)

SUBJECT: Outreach and Enrollment Efforts to College Students

The Department of Health Care Services (DHCS) wants to make project partners aware of a need for increased Medi-Cal outreach efforts on college students who are eligible for Medi-Cal. This bulletin serves to encourage project partners to work with their local Education Departments, Universities, and Community Colleges to provide outreach and enrollment efforts focusing on this population. As this population may fall under one or more target populations, engaging in outreach and enrollment activities for this specific group would not require an amendment or update to your Goals & Objectives, Work Plan, or Budget Plan.

If you have any immediate questions or concerns, please contact your Navigators Analyst or send an e-mail to the Navigators mailbox at HealthNavigators@dhcs.ca.gov.
