1	7/13/2015	Share process of manual verification to ensure there are not repeat requests for immigration status. Confirm that we are not asking consumers for information again because the information is not being retrained with their case.	Covered CA	In Progress	Advocates want an analysis of anyone who is not newly eligible. Covered CA will follow up on their request. Covered CA states that this information can not be split by race/ethnicity etc. Previous question: Are the 80,000 inconsistencies related to immigration or citizenship status for newly eligibles? Clarify if these are new cases. Can this information be split by race/ethnicity/language? 03/21/16 - No update. 04/18/16 - No update.
2	10/2/2015	Individuals in a status (such as student visas) – who are not eligible for full-scope Medi-Cal due to their immigration status, but are lawfully present for Covered CA purposes should get APTC even though their income is below 138% of the FPL. Is there a task guide to address this until it is fixed?	Covered CA	In Progress	Covered CA to elevate this issue to see what work arounds are available. Advocates to provide cases to Covered CA to look at. Additional information sent by Cori. Reviewing CR 32277 to see if this CR will help this issue. If not Covered CA will open a new CR to address the issue. Advocates would like to know what work around can be used. 6	3/21/2016	Dynamic application immigration questions	MCED	In Progress	An update to the dynamic application questions is targeted for the 2nd quarter of 2017 on the 24 month roadmap.
7	3/21/2016	Can an individual without an SSN get APTC?	Covered CA	In Progress	Advocate concern: In general (there are specific exemptions) people are required to submit the application for an ITIN with a tax return. You can see the form and instructions here: https://www.irs.gov/uac/About-Form-W7 . As a result, there are people who intend to file taxes who don't yet have an ITIN (or SSN). The solution is to accept applicants' attestation that they intend to file taxes and grant them APTCs on that basis. It's our understanding that the federal marketplace grants APTCs based on that declaration.
8	4/18/2016	Can the notices for the Affordability and Benefit Program for NQI's be posted on the webpage?	MCED	In Progress	We are awaiting approval to post them on-line.
