3	3/21/2016	Dynamic application immigration questions	MCED	In Progress	An update to the dynamic application questions is targeted for the 2nd quarter of 2017 on the 24 month roadmap. Placeholder item.
4	3/21/2016	Can an individual without an SSN get APTC?	Covered CA	In Progress	Advocate concern: In general (there are specific exemptions) people are required to submit the application for an ITIN with a tax return. You can see the form and instructions here: <a href="https://www.irs.gov/uac/About-Form-W7">https://www.irs.gov/uac/About-Form-W7</a> . As a result, there are people who intend to file taxes who don't yet have an ITIN (or SSN). The solution is to accept applicants' attestation that they intend to file taxes and grant them APTCs on that basis. It's our understanding that the federal marketplace grants APTCs based on that declaration. 06/27/16- No update

MCED	In Progress	MCED is working on policy clarification for an applicant/beneficiary that does not have to file taxes
8	6/27/2016	Are there any SB 75 MCO reports for COHS and Non-COHS? Increase in enrollment or any issues? Are individuals proactively picking a plan?	MCO	In Progress	MCO will have metrics to share out once the SB 75 transition is complete. Since counties are transitioning beneficiaries manually, there has been an increase in workload and it is requiring all of our focus at this time. Once the project has been seen through, MCO plans to report out pertinent data.
9	8/8/2016	For beneficiaries claiming PRUCOL category 16 and submitting the MC 13, is eligibility to be granted effective the date the form is signed or the date the county receives the signed form?  Scenario: Beneficiary has been receiving restricted Medi-Cal due to undocumented status since application date in 2015. In May 23, 2016, PRUCOL status is declared, an MC 13 is mailed May 24,2016. The beneficiary returns the MC 13 in early June. MC 13 is signed and dated 12/1/2015.	MCED	Closed	For beneficiaries claiming PRUCOL category 16 and submitting the MC 13, the full scope eligibility is granted effective beginning the month the county receives the signed form. The draft MC 13 ACWDL provides guidance.
