

## Summary of November 16, 2015 Immigration Work Group Meeting

- **Health Care For All Children** – MCED provided a high level update of SB 75 implementation. The Notices of Action (NOAs) snippets are being edited with the feedback provided by advocates and removing NOA number 6 because OTLIC is only for individuals under the age of 19. MCED provided draft SB 75 FAQs and we are reviewing the feedback. Advocates and stakeholders were notified that the SB 75 webinar will be on November 17, 2015. An outreach letter is in draft. Once approved, MCED will share it with advocates for their feedback. MCED will continue to add this item to the agenda for this meeting.
- **Transition of Newly Qualified Immigrants (NQIs) to Covered CA** – MCED provided a high level update on the NQI Wrap. MCED is working with Covered CA weekly. As part of wrap implementation, Covered CA will need to address plan selection and opt in processes. Qualified Health Plan benefits will start 01/01/17. Notices of Action and outreach letter are in internal review. When the documents are approved for release they will be shared with the advocates for comments/review. Implementation will be ahead of open enrollment.
