SUBJECT: Erratum to Medi-Cal Eligibility Division Information Letter I 14-54: Materials Required at Application and Renewal

Medi-Cal Eligibility Division Information Letter (MEDIL) No.: I 14-54 provided counties with guidelines on the materials that must be offered/made available to all households at application for insurance affordability programs and annual renewal. Additionally, MEDIL 14-54 stated that the Department of Health Care Services (DHCS) would develop appropriate cover letters to be used by counties to accompany these materials.

The purpose of this erratum is to provide the cover letters that must be used by counties to accompany materials at initial application and annual renewal. Each cover letter includes the message in English and all threshold languages.

- The cover letter to accompany materials at initial applications is the “MC Information Notice 018 - Medi-Cal Information for Applicants” and can be located at:
