SUBJECT: UPDATED MC 003 FORM, EARLY & PERIODIC SCREENING, DIAGNOSIS  
& TREATMENT (EPSDT) INFORMATIONAL NOTICE

The purpose of this letter is to inform counties about the recently updated EPSDT informational notice (MC 003) which describes Medi-Cal Mental Health EPSDT services for children, young adults (under age 21), and their caregivers or guardians, who qualify and have full-scope Medi-Cal eligibility. The updated version provides new program contact information, websites, and appeal instructions.

The updated notice has been redeveloped for better readability, using a 2 column, 2-page document and is now available in English and Spanish on the Department of Health Care Services' website. County ordering procedures for the updated MC003 form have not changed. All counties can request copies of the updated MC003 notice in English and Spanish quarterly by following ordering instructions in Medi-Cal Eligibility Division Information Letter 10-06, Provision of Medi-Cal Forms to Counties.

This notice is also being included in the "Medi-Cal Welcome Packet" provided to Healthy Families Program enrollees who transition to Medi-Cal, beginning January 1, 2013.
