TO: ALL COUNTY WELFARE DIRECTORS Letter No.: 06-34

ALL COUNTY HEALTH EXECUTIVES
ALL COUNTY MENTAL HEALTH DIRECTORS

SUBJECT: INCREASE IN SUBSTANTIAL GAINFUL ACTIVITY AMOUNT FROM
\$860 PER MONTH TO \$900 PER MONTH EFFECTIVE JANUARY 1,
2007, FOR NON-BLIND INDIVIDUALS

The purpose of this letter is to notify counties that the federal Substantial Gainful Activity amount (SGA) amount will increase to \$900 effective January 1, 2007. All SGA determinations made on or after January 1, 2007, should utilize the new amount. Counties are instructed to retroactively redetermine Medi-Cal eligibility based on disability if a case has been denied erroneously due to a delay in implementing the new SGA amount.

As a reminder, SGA rules do not apply to legally blind individuals who meet the federal Supplemental Security Income criteria, Medi-Cal beneficiaries who return to work after disability has been approved, or to persons applying for Medi-Cal under the 250 Percent Working Disabled Program.

Further, for work activity to be considered substantial, it need not necessarily be performed on a full-time (eight hours per day) basis. SGA is the first consideration in determining whether an applicant will be disabled under federal disability guidelines. If an applicant has average monthly earnings at the SGA level, they cannot be considered disabled, even if a severe physical or mental medical condition exists.
