BELTRAN vs. MYERS (TRANSFER OF PROPERTY LITIGATION)

On July 30, 1981 the Federal District Court issued a preliminary injunction in the subject court case which requires certain modifications to our current transfer of property policy. We are in the process of drafting procedures to implement the court order and we hope to have that information in the mail by Tuesday, August 4, 1981. Until then please instruct your staff immediately to take no action to deny or discontinue benefits to anyone on the basis that a transfer of property occurred.
