LYNCH V. DAWSON LAWSUIT

Reference: All County Letter Nos. 83-16 and 83-38

Due to recent developments in the above-named lawsuit, DHS is requesting that all counties temporarily discontinue processing those Medi-Cal cases eligible under Title 22, CAC, Section 50564. There are some issues that will be decided by the U.S. District Court on July 8, 1983. We ask that you pend the cases to avoid a possible duplication of work, until further notice from DHS.

If you have individual cases that must have an eligibility determination completed prior to the time you receive further instructions, you should call Kristi Banion at (916) 445-1797, before completing the determination, to discuss the specifics of the case.

Sincerely,
