## CWDA/DHS MEDI-CAL CORRECTIVE ACTION SUBCOMMITTEE

This letter is to share the minutes (attached) from the first meeting of the County Welfare Directors Association (CWDA) and the Department of Health Services (DHS) joint CWDA/DHS Medi-Cal Corrective Action Subcommittee. The purpose of the Subcommittee is to identify actual and potential Medi-Cal errors and develop corrective action initiatives for the purpose of reducing misspent dollars and federal/state fiscal sanctions.

The first meeting was held on August 14, 1984. Merced, Orange, Sacramento, San Bernardino and Yuba counties represented CWDA. The primary focus was to establish the goals and objectives which are described in the minutes.

This Subcommittee will meet monthly, generally the day before the CWDA Medical Care Committee meeting. We are interested in all counties' participation through submission of input to the Subcommittee members. Their names and phone numbers are listed in the minutes.

In the near future, this Subcommittee will be surveying counties by questionnaire to determine error prone areas which need to be targeted for corrective action. If you have any comments or suggestions, please call any member of this Subcommittee.

Sincerely,
